Sunday Celebration for Corquín

October 28th was a special day for the church in Corquín. That Sunday marked the last day that we will be traveling to attend services with the church in Santa Rosa. This is a big milestone for us and there was much enthusiasm! To bring everyone, almost 70 individuals, we loaded up a large bus, our minibus, a car and a truck, including the back of it! The church in Corquín gifted a large framed photo to the church in Santa Rosa and then shared a video that highlighted our growth over the past year and a half. To top things off, three individuals from the Corquín area were baptized. The young man is from Potrerillos, an area a little further away than Chiliquera, where Michael and I study on Mondays. Landon, a former AIMER who works with us seven months of the year, goes to Potrerillos with one or more of our new Christians to study the Bible with a group of people there. Frank is the first fruit of this new effort. Praise God with us and keep these individuals in your prayers.

Growth Continues

God has blessed us with amazing growth. Each week we have new visitors and increased attendance. Not only are we growing in numbers, but new studies continue to grow, those we have studied with are choosing to put on their Lord in baptism, the Christians are growing in their faith and are taking up to take roles of responsibility in planning, teaching, serving, and inviting their friends and family to study or to attend one of our meetings. Ernesto, a young Christian man from Corquín lives in Santa Rosa at the Moses Project. He has attended the CREO and CRESCO programs. This month he graduated from CREO. (see photo below) This is a preacher training program. On the weekends he comes back to Corquín to work and worship with us. He has preached, lead singing, lead prayers, and presided over the Lord's supper. He is always asking for ways to serve.

Ernesto's graduation

On the first Sunday of each month, we decided to celebrate the individuals with birthdays that month. This was our first one!

New Men's Outreach Group

This month, the men began a new outreach on Saturday evenings. The first week they gathered for a Bible study and the second week for a devotional and a movie. Last week they met together for a "grilled" supper and a devotional. There has been an average of about 15 men at each meeting. Most of these men have not once attended any of our services but have been regularly attending this outreach. The Christian men have played an important role of inviting their friends and we are excited to see this!
